Who we are

New Zealand Food Waste Champions 12.3 is a national and independent non profit organisation. It has a **vision** of 'He Taonga Te Kai: An Aotearoa where food is valued, not wasted'. The organisation was launched in 2020 and became a charitable trust in September 2022, with the **mission** to accelerate progress towards achieving Sustainable Development Goal Target 12.3 in New Zealand and halving food waste by 2030. We are an off-shoot organisation of the global <u>Champions 12.3</u> movement.

ORGANISATION STRUCTURE AND FUNDING

New Zealand Food Waste Champions 12.3 Trust (NZFWC 12.3) is overseen by four trustees and Champions: Associate Professor Miranda Mirosa (Chair), Deborah Manning, Sarah Pritchett and Andrew Fisher. We have two working groups; Champions of 12.3 and Kai Commitment. Kai Commitment is overseen by a signatory committee and Champions by the Champions committee. We are nominating for our Champions committee. The organisation is led by our Executive Director, Kaitlin Dawson.

Our Champions' work streams are made possible through philanthropic funding and grants. In the past we have been supported by Whakatupu Aotearoa Foundation, The Tindall Foundation, AGMARDT, Ecostock, Countdown and WasteMINZ.
